# GOLOWAN

## On the crest of a wave! War grib donn!

## Welcome! Dynnargh!

Just a year ago here we spoke about a world "seemingly in turmoil". Looking back twelve months those days seem almost halcyon. Locally, however, the news – and the outlook – is good. As we celebrate the 35th year of its revival, the Golowan Festival – and Penzance – is "On the Crest of a Wave".

Despite the potential for difficulties with development work close to Golowan's footprint, at Coineagehall, we are delighted to report that the Quay Fair will remain in its popular location on Battery Road again while the Golowan Marquee breaks exciting new ground by moving to a new site, the Wharfside Maritime Car Park by the harbour.

That harbour location ties in neatly with our theme this year – "On the Crest of a Wave". This demonstrates our confidence for Golowan and its future and for our town and community at large. We anticipate a tidal wave of optimism and joy on Mazey Day with nautical parade images surging through the town in a massive blue wave. Historically, pirates and whales and galleons have played a colourful role in past parades, and we have no doubt that, once again, the streets of Penzance will revel in a magical display of maritime mayhem.

Every year Golowan faces new challenges but with them come exciting opportunities and this year the joy of the festival will spread like a benevolent tsunami all over town.

For two days over Mazey Weekend, Penlee Park will be filled with music, community celebrations, youth & family activities, craft & food stalls, a bar – and much more.

On Mazey Day, Morrab Gardens Bandstand will again host a wonderful afternoon of live music. All the old favourites remain, of course, with vibrant street music throughout the town, market stalls thronging Market Jew Street and Greenmarket Car Park transformed on Mazey Day to "Festival Square" with world food stalls and the ever-popular Folk Stage at the Acorn Theatre wall.

On Quay Fair Day – while the Penlee Park Event continues to thrive up in town – the festivities will continue down by the harbour with the addition of the Golowan Mini Sea Shanty Festival at the Dry Dock, market stalls, shanty crews, Morris dancers and the Folk Stage on South Quay entertaining the crowds throughout the day. Meanwhile, in its new location, from hosting the Mock Mayor Ceremony on Thursday 26th June right through to late Quay Fair Day, the Golowan Marquee will continue to provide its own very special musical delights.

Add in the Firework Display (thank you Penzance Council!) followed by the Serpent Dance on Mazey Eve and it all adds up to yet another magical celebration of "one of the best community festivals in the West".

All those superlatives would not, of course, be achievable without the continuing support of our main partner Penzance Council together with all our valued sponsors and partners listed below. Sincerest thanks to one and all!

Golowan is "On the Crest of a Wave" – surf the blue wave with us and have a fabulous Mazey Weekend! The Golowan Team 2025

# GOLOWAN GOLOWAN HERITAGE

Torchlit procession and Mock Mayor. Golowan Fireworks and The Serpent dance

Heritage  
Ertach

Golowan honours the old traditions of the Feast of St. John and the coming of the Summer Solstice by celebrating with noise and dance! Key happenings have the clamour of the Golowan Band and Serpent Dances, the pandemonium of the Mock Mayor Election, warding off bad spirits by the spectacular array of Greenery, and the giant imagery in the parades on Mazey Day!

Photograph by Greg Martin

## TORCHLIT PROCESSION

**MONDAY 23 JUNE**

**Dy'Lun 23 mis Metheven**

Gather at the top of Chapel Street @ 9.30pm. 'Gradually the tar-barrels were ignited throughout the length of the principal streets. The scene, even at this stage, is picturesque, though it be barbarous. The thoroughfares are filled with dense smoke; but through this can be seen perhaps fifty torches, the lurid and ever-moving flames crossing and re-crossing each other...' (The Cornish Telegraph, 1875)

## ELECTION OF MOCK MAYOR

**THURSDAY 26 JUNE**

**Dy'Yow 26 mis Metheven**

Election of the Mock Mayor – Golowan Marquee, St Anthony's car park – open from 7pm – 11pm  
FREE/Golowan donations

From medieval times Mock Mayors were 'elected' by public acclamation in many Cornish, English and European towns and villages, poking fun at the authorities and causing a bit of good-natured mischief, the Lords of Misrule. Candidates create their characters and ludicrous manifestos. They have a short time to introduce themselves and their manifestos on a stage in front of the baying crowd. If the crowd boos they are unceremoniously removed! Lord Justice Socks, a beloved Golowan figure, oversees the proceedings. The candidate with the loudest cheers wins and will stand with Penzance's official mayor to address the town from the steps of the Market House on Mazey Day.

**Stand for Mock Mayor!**

## PENGLAZ AND THE SERPENT DANCE

**The Barbican next to the Dolphin Pub – 11pm**

"At the close of the fireworks in Penzance, a great number of persons of both sexes, chiefly from the neighbourhood of the quay, used always, until the last few years, to join hand in hand, forming a long string, & run through the streets, playing 'thread the needle', heedless of the fireworks showering upon them"

(Richard Edmonds, The Lands End District, 1862)

# GLOWAN MAZEY WEEKEND

## CENTRE PULL OUT!

The Golowan festival is held in Penzance and is a 10-day festival of Cornish arts, performances, culture, and parades that culminate in a street festival on the last weekend in June where thousands attend a spectacle of giant model parades, street performances, street music, theatre, and the Golowan live music and DJ Marquee. This annual event is much loved and is the biggest event in the calendar for the southwest Cornish community. It is a 35-year revival festival of the Feast of St. John and the midsummer solstice that is delivered by the whole community and grown into one of the biggest street festivals in South England. On Mazey Day Greenmarket Car Park will again magically transform into 'Festival Square' where enticing food stalls share the bustling space with the Folk Stage which presents a variety of music, dance, and song all day from 10am. Between parades local school and youth bands entertain the crowds by the Sir Humphry Davy statue.

Street music is performed throughout the town at The Globe and in front of the Co-op in Queen Square, the steps of The Acorn Theatre and on the bandstand in Morrab Gardens. The Farmers Arms electric stage will host bands at the top of Causewayhead, while towards the Harbour the Dock Inn & the Dolphin will provide an energetic session of rock music till the late afternoon. There is a take-over of the two fields of Penlee Park with two stages, a bar and an array of delicious food stalls, right in the centre of Penzance! Delight in the Youth Music Stage highlights, Penwith's array of young musical talent, community performances and DJ sessions. Experience the Golowan Sea Shanty Festival with bar and hog roast on Quay Fair Day Sunday 29th at the Dry Dock! The Golowan Marquee hosted by the Cornish Crown is in the Wharfside Harbour Car Park and will supply an array of lively music throughout the weekend, building to a crescendo long into the night!

The second series depicts the writer Charlie Porter in the immediate aftermath of the death of both his parents. ##### **HEW LOCKE: ARMADA**

Newlyn Art Gallery, Until 1st November. Armada is an evocative and multi-layered installation, made up of around 35 boats of varying sizes, created by Hew Locke between 2017 and 2019. Suspended from the ceiling at shoulder height, these vessels form a striking flotilla that draws on maritime histories and contemporary global issues. Hew Locke is one of this country's leading contemporary artists, with a practice that explores the language of colonial and post-colonial power, how different cultures fashion identities through visual symbols of authority, and how these representations are altered by the passage of time. ## Volunteers Bodhogyon

Golowan volunteers pay an important part in delivering the Festival it cannot happen without them! By giving a couple of hours of their time help they help bring our community together in celebration and Mazey madness and make Penzance a place where we love to live. With all that in mind, we wish to thank our friendly volunteers and helpful stewards, who advise and guide our community during Penzance's glorious summer Festival.

Golowan has need of volunteers on Thursday 26th (Mock Mayor Elections), Friday 27th (Golowan Fireworks), Saturday 28th (Mazey Day Parades) and Sunday 29th June (Quay Fair Day).

Volunteer roles we need to fill are:

- **Stewarding the processions**
- **Collecting donations**
- **Meeting & greeting**
- **Litter picking**
- **Giving out water during the processions**
- **Running the Golowan pop-up shop and stall**

The Golowan Green Brigade who wake up early on Mazey morning to decorate Market Jew Street and St Johns Hall with greenery and bunting for the Mazey Day Parades

Stewards to help the Golowan Band perform on Mazey Eve, Friday 27th June and on Mazey Day, Saturday 28th June for the Men and Maids

To volunteer please contact us by email: [community@golowanfestival.org](mailto:community@golowanfestival.org) or by Phone: 01736 369686; and be part of the best community event in the south-west.

We would like to say a massive thankyou to the Redwing Gallery for providing the Golowan Volunteer Hub on Mazey Day – where the volunteers can rest and refresh – it is very much appreciated!
